

Call for Papers & Workshop Presentations

Accounting Education Interest Group (SIG5) Symposium

Saturday, 3 July 2010

In conjunction with 2010 AFAANZ Annual Conference
Christchurch, New Zealand

Theme: Accounting Education in Australasia: Resourcing, Curriculum and Innovation

Join us in Christchurch for the Annual Accounting Education Special Interest Group Symposium. The symposium celebrates practice and research in the area of accounting education by delivering a program which includes research papers, panel sessions, and presentations by industry and professional bodies. This year the symposium is intended to highlight the state of accounting education in Australasia by examining resourcing, curriculum and innovation and discussing a way forward. A panel of experienced accounting educators will facilitate a sharing of ideas for best practice and suggest directions for future research.

Contributions to the symposium in the form of papers, panel and workshop sessions are invited from educators, industry members and professional bodies. Both abstracts and full papers may be submitted but only full papers will be peer reviewed. All submissions should be made electronically. For further information or to make a submission please contact Associate Professor Marie Kavanagh email kavanagh@usq.edu.au or Paul Wells email paul.wells@aut.ac.nz. The deadline for abstract submission is **16 April 2010**. Earlier submission is encouraged.

Acceptance

Authors will be notified of acceptance by 7th May 2010 and will be required to notify us by 14th May of intention to attend and present. A copy of the proposed program and details of the day will then be distributed.
