

MONASH University

Senior Academic Appointments, School of Business Monash University, Sunway campus, Malaysia

The University

Monash University has a bold vision – to deliver significant improvements to the human condition. Distinguished by its international perspective, Monash takes pride in its commitment to innovative research and high quality teaching and learning.

The Opportunity

Monash is seeking outstanding academics to provide leadership in teaching and research within the School of Business at its Sunway campus, Malaysia.

Professor and Head, School of Business

The appointee will have research strengths in an academic discipline of the school. He or she will be expected to: provide leadership and manage academic and professional staff within the school; foster and promote research; participate in developing research and education policies; play an active role in the enhancement of academic standards and the development of curriculum at both the undergraduate and postgraduate levels where appropriate; and participate in community affairs and in the professional, commercial and government sectors where appropriate.

Professors and Associate Professors

Senior appointees are sought to provide leadership in the disciplines of:

- Accounting and Finance
- Business Law and Taxation
- Econometrics and Business Statistics
- Economics
- Management
- Marketing

Each senior appointee will be expected to exercise a major leadership role in his or her respective discipline in research and innovation, the development and implementation of teaching programs at both the undergraduate and postgraduate levels, and staff and academic development within the School of Business.

Some appointees will also be offered the role of head of discipline, with supervisory responsibilities and other delegations for the orderly academic management of the discipline. A separate statement of these responsibilities and delegations is available.

Duration

Professor and Head, School of Business - fixed term of five years and will include the head of school role for the initial three years of the appointment.

Professors or associate professors - fixed term of five years and may include the role of head of discipline for a period of two or more years. Subject to performance and other criteria, a further term as professor or associate professor may be negotiable.

The Benefits

The appointments will be made under Malaysian benefits, terms and conditions of employment. Competitive remuneration packages will be negotiable for outstanding appointees. Relocation travel and removal allowance are available.
