NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report is for the entity Accounting and Finance Association of Australia and New Zealand Ltd as an individual entity. Accounting and Finance Association of Australia and New Zealand Ltd is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair value of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue

Revenue from sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised when it becomes receivable on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from royalties is recognised when the right to receive royalty revenue has been established.

All revenue is stated net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

(b) Plant and Equipment

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

*Plant and equipment*

Plant and equipment is measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

*Depreciation*

The depreciable amount of all fixed assets are depreciated over their estimated useful lives to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

</tbody>
</table>
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Operating leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(c) Income Tax

The Accounting and Finance Association of Australia and New Zealand Ltd is exempt from income tax in accordance with the provisions of the Income Tax Assessment Act. The Accounting and Finance Association of Australia and New Zealand is a not for profit entity.

(d) Foreign Currency Transactions and Balances

Transactions and Balances

Transactions in foreign currencies are translated into functional currency at the rate of exchange ruling at the date of the transaction.

(e) Employee Benefits

Liabilities arising in respect of wages and salaries, annual leave, sick leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. All other employee benefit liabilities are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

(f) Impairment of assets

Assets subject to annual depreciation or amortisation are reviewed for impairment whenever events or circumstances arise that indicate that the carrying amount of the asset may be impaired. An impairment loss is recognised where the carrying amount of the asset exceeds its recoverable amount. The recoverable amount of an asset is defined as the higher of its fair value less costs to sell and value in use.

(g) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)
(h) Financial Instruments

Classification

The company classifies its financial instruments in the following categories: financial assets at fair value through profit and loss, loans and receivables, held-to-maturity investments, and available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and re-evaluates this designation at each reporting date.

Held-to-maturity investments

Fixed term investments with an intention to be held to maturity are classified as held-to-maturity investments. They are measured at amortised cost using the effective interest rate method.

Receivables

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are measured at fair value at inception and subsequently at amortised cost using the effective interest rate method.

Non-interest bearing receivables are designated as receivable 'at call' and are therefore recognised at their face value at inception.

Financial liabilities

Financial liabilities include trade payables, other creditors and loans from third parties including inter-company balances and loans from or other amounts due to director-related entities.

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Non-interest bearing loans and payables are payable on demand and are therefore recognised at their face value at inception.

NOTE 16: FINANCIAL INSTRUMENTS (Continued)

(b) Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provisions for doubtful debts, as disclosed in the statement of financial position and notes to the financial statements.

The company does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the company.

(c) Net Fair Values

The net fair value of financial assets and financial liabilities approximates their carrying values as disclosed in the statement of financial position and notes to the financial statements.

NOTE 17: MEMBERS GUARANTEE

The company is limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of $10 each towards meeting any outstanding obligations of the company. At 31 December 2006 the number of members was 646 (2005: 558).

INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF
ACCOUNTING AND FINANCE ASSOCIATION OF AUSTRALIA AND NEW ZEALAND LTD

Scope

We have audited the financial report of Accounting and Finance Association of Australia and New Zealand Ltd for the financial year ended 31 December 2006 comprising the Directors' Declaration, Income Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flows and notes to the financial statements.

The company's directors are responsible for the financial report. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of the company.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements in Australia and Corporations Act 2001 so as to present a view which is consistent with our understanding of the company's financial position and performance as represented by the results of their operations and their cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the financial report of Accounting and Finance Association of Australia and New Zealand Ltd is in accordance with:

(a) the Corporations Act 2001, including:

   (i) giving a true and fair view of the company's financial position as at 31 December 2006 and of its performance for the financial year ended on that date; and

   (ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001; and

(b) other mandatory professional requirements in Australia.
