Call for Applications - AFAANZ Research Fund

The AFAANZ Research Fund (ARF) Annual Grants Program is designed to encourage and support members by providing funding for research projects. The 2022 round will focus on quality projects that address or respond to contemporary and future challenges to, and/or have implications for, accounting and finance practice, policy and/or the professions. Grants are competitive, and are primarily intended to support small-scale projects of up to one year’s duration or to assist in seed funding for larger scale projects. Applicants must demonstrate their ability to conduct the proposed research and show how the project will benefit the research profile of the individuals and the discipline. The pool of funds comes directly from fees paid by institutional members. As such, access to the ARF is limited to AFAANZ members based at a member institution.

To view categories, eligibility and application process please see HERE.

Access the grant application system at https://pitchmyresearch.com/grants.

Note that you will receive an email of confirmation from pitchmyresearch@gmail.com on successful submission.

Application Closing Date: 30 April 2022

This webinar addresses:

- What makes qualitative methodologies suitable for such research? What are their strengths?
- How should we think about the contexts in which social issues and challenges occur? In what ways are they “social?”
- How do organisations and people that we study form part of (or connect with) the wider social?
- How can such research bring social issues and challenges to life?, For example, by leveraging emergent qualitative technologies and design.
emergent qualitative technologies and design.

Why MYOB DevelopHer is going Trans-Tasman

One of MYOB’s flagship talent programmes – DevelopHer has been shining a light on a new way to attract tech talent and address gender imbalance since 2016. Now we are launching it in Aotearoa. Originally launched five years ago to create a pathway for Australian women in software development, from all backgrounds including career switchers and those re-entering into the industry, MYOB is proud to announce the launch of the DevelopHer programme into New Zealand.

Our six-month internship programme offers successful applicants an online scholarship with MYOB education partner RMIT University, a paid salary while they learn, and exclusive tutorial and coaching sessions focused on tech development. And upon completing the internship, candidates move into a protégé developer role as part of our graduate programme, followed by an offer of full-time employment with MYOB as an associate developer.

AFAANZ CONFERENCE

It is with great excitement that the AFAANZ Board announce that the 2022 AFAANZ Conference will be an in-person event at Crown Melbourne from July 3 – July 5. However, given there are still travel restrictions for some AFAANZ members, the conference will also have a virtual option for members to view all plenaries, keynotes, panels and concurrent sessions online.

We will also support the Special Interest Groups to run an in-person event with the same virtual options to their members preceding the conference.

More information will be available soon as we work with Crown to create this event, but please know that the 2022 AFAANZ Conference will be in Melbourne and to start planning!

The AFAANZ Board and our sponsors: CA ANZ, CPA and MYOB look forward to catching up and reconnecting!

**Emergency E-Learning: A Study on the effects of the transition to online learning**

The current COVID-19 restrictions in place for 2020 and 2021 are being investigated in terms of the changing environment academics were forced into due to stay at home orders, where they entered into emergency e-learning, from home.

The effects of emergency e-learning on academics' workloads, job satisfaction and motivation, as well as overall wellbeing have yet to be investigated and reported. It is hoped this survey will shed some light on the challenges and opportunities accounting and finance academics faced during lockdown teaching.

To take part in the survey, click [HERE](#).

Accounting History Research in the Age of Digitalisation Submission deadline: 15th September 2022

‘SAGE Publications has established a new Editors’ Choice Collection for Accounting History on the theme “Accounting and Historiography”. The articles in this new collection are freely available for a limited period from 1st April-30th June 2022 and are found at the following link: [https://journals.sagepub.com/page/ach/collections/editors-choice/accounting-and-historiography](https://journals.sagepub.com/page/ach/collections/editors-choice/accounting-and-historiography)

This replaces a prior Editors’ Choice Collection on the same topic from 2015, which has been archived. That page can be also found at the end of the page at the above link.

There are now 22 Editors' Choice Collection for Accounting History, with the series designed to cover key themes within the accounting history field. These are updated and refreshed from time to time. Details relating to the other Collections are available at the following link: [https://journals.sagepub.com/page/ach/collections/editors-choice/index](https://journals.sagepub.com/page/ach/collections/editors-choice/index).

In order to receive journal Contents alerts, please click on the "Sign Up" button located in the "Connect with us" box on the journal home page found at: [http://journals.sagepub.com/home/ach](http://journals.sagepub.com/home/ach)

We hope that you find the newly-added collection, as well as the previous ones, to be helpful and enjoyable reading!

The Robert W. Gibson Manuscript Award is for the article published during 2021 “which makes the most significant contribution to the accounting history literature”. This award is sponsored by the AFAANZ Accounting History Special Interest Group (AHSIG) which we appreciate.

The award is being presented to Frances Miley and Andrew Read for their paper "Entertainment as an archival source for historical accounting research" which was included in the Special Issue in Accounting History on Accounting and Entertainment. Congratulations to Frances and Andrew!
Partnership with Quitch

We are excited to announce the successful launch of our First Year Accounting Competition 2022 through Quitch, a mobile learning platform. This competition is supported by AFAANZ in conjunction with CA ANZ and MYOB to give students the opportunity to increase their knowledge of accounting, and to win prizes for their hard work. The competition was launched on the Quitch platform on the 16th of March and has already been triumphant, with many students enrolling and engaging with the questions in the first week.

CA ANZ is awarding prizes of $1,000, $700 and $300 to the top students on the leaderboard at the end of the competition. Additionally, MYOB is giving away a $50 gift card prize each week. Accounting educators will also have a chance to win with a $500 prize from AFAANZ to be awarded to the top student’s educator.

We greatly appreciate the support of AFAANZ, CA ANZ and MYOB in this competition with Quitch, and we look forward to seeing more engagement and learning taking place amongst the first-year accounting students.

CALL FOR PAPERS

The International Accounting Standards Board (IASB), the Financial Accounting Standards Board (FASB) and The Accounting Review (TAR) have issued a joint call for academic research papers on how key standards are performing in the capital markets. Selected papers will be presented at a joint conference titled Accounting for an Ever-Changing World, currently scheduled for 2-4 November 2022 in New York City, and will be considered for publication in TAR (a publication of the American Accounting Association).

The initiative is intended to strengthen connections between the academic and standard-setting communities and encourage academic research that supports the FASB and the IASB in their post-implementation review of recent major standards. Research papers should focus on the effectiveness of the FASB's and/or IASB's standards on revenue recognition (Topic 606 and IFRS 15 Revenue from Contracts with Customers), leases (Topic 842 and IFRS 16 Leases), and financial instruments (Topic 326, Financial Instruments–Credit Losses and IFRS 9 Financial Instruments).

The deadline to submit papers is 15 May 2022. Full details are available HERE.

3rd Analyst Research Conference, Bayes Business School and University of Cyprus

**Date:** Friday, 9th September 2022, 8:30am-6pm

**Format:** Hybrid. We aim for face-to-face presentations and attendance. For presenters unable to travel, we will organize zoom presentations. There will be an option to follow the conference online.

**Theme:** Current topics in analyst research

We invite paper submissions for a conference focused on current sell-side and buy-side analyst research. This one-day conference brings together academics and finance professionals to create a dynamic environment to facilitate knowledge exchange between academia and practice. The conference will feature academic presentations and sessions by industry professionals from the City of London. Each academic paper presentation will have a discussant, and all presentations will be followed by a Q&A session with the audience. Submission deadline is 20th May 2022. Authors will be notified by 10th June. For all details, click HERE.

Pacific Accounting Review - Ever-changing markets in China

The Education University of Hong Kong, in conjunction with Pacific Accounting Review (PAR), is pleased to announce it will host a conference in Hong Kong on 17 December 2022. The conference will be a one-day event. This conference provides academics, practitioners, and regulators with a platform to share their insights into accounting and finance issues. Selected papers will be published in the Pacific Accounting Review (PAR) conference special issue, conditional on satisfactory responses to reviewer and editor comments. While the conference is planned to occur in-person, opportunities to present and participate in a hybrid format will be provided. All details are HERE.

Paper Submission Deadline: 31 August 2022

Sustainable Development Goals (SDGs) and sustainability accounting: Opportunities and Challenges for public, non-governmental and hybrid sector organisations

Special issue call for papers from Journal of Public Budgeting, Accounting, and Financial Management

What is this special issue about?
The adoption of Sustainable Development Goals (SDGs) by the United Nations in 2015 has been a well-received and globally accepted iteration of the sustainable development agenda (Abhayawansa et al., 2021; Adams et al., 2020; Bebbington and Uneman, 2018). With 17 holistic goals and 169 targets, the SDG agenda aspires to stimulate action in areas that are of critical importance for humanity and the planet including hunger, poverty, inequality, health and well-being, clean energy and quality education (United Nations, 2015). Given the critical importance of SDGs, this initiative has drawn considerable attention in the policy debate and research. A number of conceptual studies have set the agenda and directions for advancing and achieving SDGs and the role of accounting and finance therein. However, little is known about how organisations, especially in the public, non-governmental and hybrid sectors are addressing and implementing the SDG goals and targets, and account for sustainability performance.

All details are available HERE.
