Dear Head of Department/School,

Further to the email sent earlier on the AAA Doctoral Consortium, AFAANZ now also invites your organization to nominate a student to attend the Thirty-Fifth Annual European Accounting Association Doctoral Colloquium in Accounting being held in Cyprus from May 25 – 28, 2019 immediately before the EAA Annual Congress.

Calls for Nominations

1. Policy

The AFAANZ Board may nominate a PhD student from Australia or New Zealand who has met the eligibility criteria stated below to attend as the AFAANZ representative at the EAA Doctoral Colloquium. AFAANZ pays a fixed amount to participants to cover their airfare. It is expected that the nominee would have completed all necessary course work for the PhD and would have a reasonably well-developed dissertation proposal. Students accepted for the Colloquium will be required to prepare a short paper for presentation at the meeting.

The nominee for participation must:

1. Be a current student member of AFAANZ
2. Be enrolled full-time in Ph.D or DBA program in accounting and have progressed beyond their first year.
3. Have attended either a past AFAANZ Consortium or Colloquium.

2. Procedures

Nominations in writing must reach the AFAANZ Office (info@afaanz.org) no later than Friday, 30 November 2018.

Applicants must submit an application package containing the following:

1. Curriculum vitae, including names of three academic referees, one of which is the applicant's supervisor (one page);
2. Undergraduate results (including honours) and results relating to any coursework undertaken as a part of the doctoral program;
3. A maximum three page abstract of the doctoral research currently being undertaken;
4. A personal statement expressing how the Consortium will benefit the applicant (one page); and
5. A questionnaire to be filled in by the main thesis advisor ([see attached template](#)).

The AFAANZ Board will consider evidence of an applicant's eligibility having regard to

demonstrated excellence in research. In considering an applicant's research, the Board shall take note of the:

- Quality of the nominated representative (based on undergraduate and postgraduate results);
- Quality of the work being completed in the PhD;
- Significance of this work; and
- Record of research activities undertaken by the applicant.

The Board's decisions on the AFAANZ nominated representative/s to the EAA will be announced in the first week in December. The representative must provide a detailed report to the AFAANZ following the Consortium/Colloquium.

Kind regards,
