#### **ABOUT SINGAPORE MANAGEMENT UNIVERSITY AND THE SCHOOL**

A premier university in Asia, the Singapore Management University (SMU) is internationally recognized for its world-class research and distinguished teaching. Established in 2000, SMU's mission is to generate leading-edge research with global impact and produce broad-based, creative and entrepreneurial leaders for the knowledge-based economy. The School of Accountancy was set up in 2001 with the mission to develop versatile accounting professionals and business leaders through holistic education, thought leadership and collaboration with businesses and society. Since our School's inception, we have placed much emphasis on attracting world-class scholars, thinkers and business leaders to join us as full-time faculty members. Our faculty members come from top universities as well as professional backgrounds with strong ties to the accounting industry. Our School has achieved international recognition for its high-quality research and ranks highly in the Brigham Young University Accounting Research Rankings.

More details about the school could be found on <https://accountancy.smu.edu.sg/>
